

# TRAVEL NOTIFICATION REQUEST

At Align, your security is our top priority. To help us keep your systems and data protected while you travel, it's important to notify us in advance of any upcoming trips, whether domestic or international.

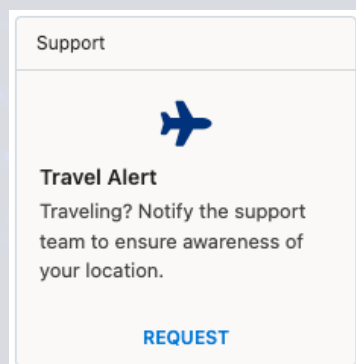

Providing your travel details allows us to quickly and accurately review any unusual account activity or security alerts that may arise when you're away.

---

You can notify Align using any of the following methods:

## 1 Portal:

Visit the Align Portal (<http://portal.align.com>) and select Support > Request Service > Travel

## 2 Email:

Send your travel dates and destination(s) to [help@align.com](mailto:help@align.com)

## 3 Phone:

Call +1 855-482-5446 and request a ticket be opened with your travel details

---

Thank you for helping us maintain a secure environment.
